ADVANCED LICENSES POLICY**

The Instructor Trainee Program is the only advanced license obtainable in Tennessee. By successfully completing the Instructor Trainee Program and passing the related State Board exam, you will be licensed as a senior instructor in the state of Tennessee.

Your license will be renewable every two years and you must have proof of 16 hours of a state approved continuing education seminar within that time frame. The State Board will notify instructors of the approved seminars, but it will be the responsibility of the instructor to make arrangements to attend and pay for the seminar.

As a rule, the seminar facilitator will advise the State Board of your attendance
